Domestic Violence & Sexual Abuse Seminar - sponsored by Women's Ministry

When: Saturday, April 20, 2024
Time: 2:00pm - 4:00pm (following the Fellowship Meal)
Location: Church Atrium
Presenter: Turning Point Representative

This seminar is for both men and women and will provide education about the dynamics of domestic violence, types of abuse, and power and control tactics abusers may use. Participants will gain a greater understanding of the impacts of domestic violence on survivors, their loved ones, and the community. While sexual violence continues to affect the lives of many, there are still many myths about what it is and how to help. This presentation will also define sexual violence/abuse and explain how society can impact the ways we interact with survivors. Both topics will include survivor-centered, trauma-informed, advocacy-based ways to support survivors and provide resources. Participants will leave with knowledge of Turning Point (a 501c3 non-profit organization located in Mt. Clemens, MI) services and ways to get involved. Event is open to the public...everyone is encouraged to attend. Due to the sensitivity of the topics, children attendance is at the parent's discretion. Please see Sherry Appleton at bappleton@comcast.net or 810-335-1838 for any questions.
